PE and Sports Premium – Strategy Statement and planned spend at Lime Academy Orton 2023-24

OVERVIEW

PE and Sports Premium is used to develop and/or add to the PE and sports activities that the school already offers and to ensure that improvements made now will benefit the current cohort and those who join in future years. Schools receive this funding to support their eligible pupils and narrow the attainment gap between them and their peers. During the 2023-24 academic year Lime Academy Orton will receive £16,600. These funds are for schools to use to support pupils.

Most schools with primary-age pupils, including special schools receive the PE and sport premium each academic year.

Funding for the PE and sport premium

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. In cases where schools don't follow year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding. In most cases, the Government determines how many pupils in each school attract the funding using data from the January school census.

Funding for 2023 to 2024

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Funding 2022-23 for Lime Academy Orton is £16,000 base + (60 x £10) = £16,600

Provision

Pupils at Lime Academy Orton engage in regular structured physical development opportunities.

Pupils benefit from Physiotherapy, Hydrotherapy and Therapeutic Trampolining to ensure they make the best possible progress in their physical development.

The school has two halls, a hydrotherapy pool and outside play areas including outdoor gym equipment. We support our pupils in participating in experiences to develop their opportunities to make a positive contribution to the school and its local community.

How we intend to use Sports Premium funding to support the following:

We will provide additional targeted support to pupils to support them to be healthy, physically, socially and emotionally.

- Hydrotherapy provision
- Therapeutic Trampolining
- Physiotherapy

How we'll measure the impact of Sports Premium

We use a range of approaches to collect, collate and analyse data on pupil progress, including measuring the impact of the above interventions on attainment through Annual Reviews in relation to progress towards end of Key Stage targets.

Monitoring progress:

- Throughout the term through the Leadership Mentor monitoring & evaluation process
- Monitoring of individual progression journeys towards end of key stage outcomes via AR process and termly QA reviews
