Enrichment Calendar

2026-2027

Enrichment at Lime Academy Orton

At Lime Academy Orton, we provide a rich programme of enrichment activities throughout the school year, designed to give learners a wide range of meaningful experiences that celebrate the wonderful diversity of our school community.

Our enrichment opportunities are carefully planned to support learners in applying and generalising their skills in different environments and contexts, while exploring national celebrations, religious events, cultural traditions and community experiences.

In addition to our whole-school enrichment calendar, learners access a varied offer of specialist and community-based opportunities, including hydrotherapy, community visits, horse riding, and Lime Life and Living volunteering opportunities for our Post-16 learners across the school. These experiences help develop independence, confidence, wellbeing and essential life skills.

We will share more information with families and staff about each enrichment event as it approaches. Our learners' participation and achievements are celebrated and captured through Evidence for Learning and in our school newsletter.

Please note that events organised by Limelight - Friends of Lime Academy Orton (Parent Teacher Association), will be shared separately throughout the year.
